## Webfont Font End User License Agreement

Version 1.5 – January 27, 2021

By purchasing, or downloading, or installing, or using, or otherwise handling the digital typeface software (hereafter fonts), you accept the terms of this agreement, you acknowledge understanding and complying with its terms.

This agreement replaces any previously made oral or written proposal or agreement between you and Non Foundry.

### 1. Right Granted

Acquiring a web license from Non Foundry grants the Licensee the right to use the specified font(s) on a site with 50k monthly visitors maximum. The Licensee is not purchasing the copyright to the design or any other part of the fonts, but the right to use the font(s) as specified in this agreement, according to the Licensee's specified license type(s).

All uses not specifically licensed require a separate license.

### 2. Requirements and Restrictions

Licensee must use the Webfont provided by Non Foundry under this EULA.

- a. The number of websites onto which the Licensee may install the font(s), and the number of visitors these website(s) may serve, is dependent on the license purchased and referenced on the Licensee's invoice.
- b. In the case of an increase in visitor numbers, the license must be updated on an annual basis. In the case of the closure of a website, the font(s) and/or the license to use the fonts cannot be transferred.

- c. The total traffic of the Website(s), measured in pageviews per month, may be no greater than the number of pageviews specified in your license.
- d. Licensee may only install the Webfont on Websites that it owns or controls.
- e. You may not use the fonts to create or save bitmap or vector images, except for usage directly related to the websites you are creating. You expressly may not use this license to create bitmap or vector images for any other use, for example for a logo.

The font(s) for a web license are provided in WOFF, WOFF2, EOT format and must be self-hosted on the Licensee's server(s).

Web-fonts have to be acquired as such and cannot be generated from print-fonts or other files. They cannot be used for any purpose other than that defined by the license.

### 3. Modifications

You may modify the fonts for your own purposes after receiving written permission from

Non Foundry.

Outside of their legal use as described in this license, you may not distribute, lend, rent, sell, give away, publicly or privately share any modified or unmodified version of the fonts.

Any rights, including but not limited to copyrights and trademarks, of both the original version and the edited version remains with Non Foundry and their respective owners, and the number of devices and servers covered by the license remains the same overall.

### 4. Copyright

The Webfont is protected by copyright law. Non Foundry is the sole, exclusive owner of all intellectual property rights, including

rights under copyright and trademark law. Licensee agrees not to use the Webfont in any manner that infringes the intellectual property rights of the Foundry or violates the terms of this EULA. Licensee will be held legally responsible, and indemnifies Non Foundry, for any infringements on the foundry's rights caused by failure to abide by the terms of this EULA.

Any breach of the terms and conditions of this agreement terminates your license to use the fonts. After any termination of the agreement you must destroy any copies of the fonts, including your archival copies.

## 5. Refunds and Disclaimer

If you do experience any difficulties with our fonts, we will do everything that we can to work with you to resolve any issues. If, after we have worked with you to resolve any technical issues, you are still not satisfied with our product, we will be pleased to refund your money, which shall be the limit of our liability in this transaction.

Any such refund terminates your license to use the fonts. Only technical issues are reason for refund, and you have to show clearly that they do exist and can not be resolved by Non Foundry.

You must give Non Foundry notice of such problems in the first 30 days after your purchase. The actual refund can only be given in the first 60 days after the purchase, and not at any time after that.

## 6. Governing Law

Any and all rights not expressly granted in this agreement are reserved to Non Foundry.
